7	<p>Starting on Jan 7, I sent several emails and made many calls to OPP's Head Office:</p> <ul style="list-style-type: none"> <li>I repeatedly requested to speak to Public Protector Advocate Busisiwe Mkhwebane. I wanted her to be aware of the situation.</li> <li>I wanted Bruce Wessels misconduct addressed.</li> <li>I included my email to politicians asking them to help me get to Mkhwebane. The email included the leadership crisis in Knysna (crazy staff turnover and empty [positions the past 8 months) as well as the intimidation I had experienced.</li> </ul> <p>I contacted:</p> <ol style="list-style-type: none"> <li>Busisiwe Mkhwebane's Executive Assistant Betty Ngobeni</li> <li>Deputy Kevin Malunga</li> <li>Ephraim Kabinde</li> </ol> <p>Malunga gave instruction to Western Cape Representative Sune Griessel but no one would tell me what it was.</p>	<p>OPP Ngobeni OPP Malunga OPP Griessel OPP Kabinde</p> <p>PP Mkhwebane</p>	<p><a href="#">2017.01.07a1 Complaint to Ngobeni and Malunga</a></p> <p><a href="#">2017.01.07a2 Malunga directive to Griessels 2018.02.21</a></p> <p><a href="#">2017.01.07a4 Complaint to Ephraim 2018.02.22</a></p>	<p>To date, end Oct 2018, and despite Public Protector Advocate Busisiwe Mkhwebane having had to already respond to NCOP, she has never once been in communication with me.</p>
13	<p>OPP Gideon Landman had a meeting scheduled with Knysna Municipality's Acting MM Douglas on 13 January. It had been set up regards other issues, not me. Douglas failed to appear, I assumed dodged. Landman spoke to Dir Bevan Ellman instead. Notably, Ellman was about to leave his job so was the worst person to represent the Municipality. It was likely deliberate. 	was told that my issues were raised but given no particulars except that time was short. Seemingly all that was achieved is that the Municipality knew the OPP was investigating my complaints. No info was gained. Landman emailed me to which I responded in detail. His future actions appear to have ignored most of what I said e.g. priorities, ways to speed up investigation, to use the opportunity of Director Bevan Ellman leaving to gain info etc.			
26	I make it clear to OPP Landman that activist Susan Campbell never requested Bruce Wessel's investigate the ISDF tender. I did. All Campbell asked for was the Western Cape Government's report.		<a href="#">2017.01.26 NCOP dates - Campbell action</a>

This was particularly relevant as going to High Court was burdensome and, contradictorily, the Chief Magistrate was allowing similar cases against me by their friends in his Lower Court. 28	The Knysna Municipality denied my PAIAs stating that I hadn't used there form yet my form contained all the info they required. They also upped the PAIA fee to R150 which was illegal, confirmed by the SAHRC. They were being obstructive again. 6	I send the OPP the article I'm going to publish regards the Knysna Fire and the threats by the fire department against me. Landman responds the following day that he's received info from KM regards the (to me) suspicious appointment of the Fire Chief. I point out that he's missing the bigger picture again, here the threats against me and the link to illegally appointed Director Adonis.	OPP Landman KM Ffireman Sternsdorf KM Fire Chief Manuel	<a href="#">2017.09.06a1 Fire Chief threat-GL says got recruit info 2017.09.07</a>	Landman's August 2018 report would state nothing suspicious about Station commander Sternsdorf's appointment (impossible) and would ignore Fire Chief Clinton Manuel and the threats against me.  PTA read receipts.
