Mike, I was not a waitron at Cruise Cafe, If you can't get that right, I have nothing for you. I am sure you will continue with your none-interviews and insinuations based in rumour. There is nothing I want to contribute to your current crusade against my ex-wife, especially since you see it fit to use my divorce as fodder for your blog.

I am a private citizen and see no need to answer any of your questions. My private e-mail is rowansps@gmail.com so I'd appreciate it if you could direct future questions there. I doubt I will find it necessary to answer any, but at least you know now.

Cheers, see you around.

Disappointed that you never responded. Note that Eleonor failed to meet me.

Our emails will have to professional and relate strictly to issues from now on.

There will be more queries but let's get some background first on your involvement in Xylophone Investments:

1. How did you go from being a waitron at Cruise Cafe to being a partner in company that could afford to pay R85 000 rent for Moby Dick's on the beachfront at Plettenberg Bay?

2. Who else were partners in Xylophone Investments and what was their role?
3. How did you meet them?
4. How could you not expect this business relationship to be tricky considering your wife's position as ANC Mayor of Knysna?
5. How did Eleonor know Ralph Links, then the Corporate Services Manager for Bitou Municipality? When did she first meet him?
6. Please account for the financial discrepancies in Xylophone's dealings with the Bitou Municipality in 2010 regarding the DTI Anti-Piracy Campaign Function. Please provide full details (and note that i will be comparing such to the Mazars forensic report which was commissioned by the DA).

Your cooperation appreciated.

Thank you.

Hi, Rowan. We've never had a bad word and always been polite to one another so i felt i should give you a heads-up.

Eleonor's thrown her hat back in the political circus that is Knysna and chosen not to talk to me. Consequently, that's poor policy and likely means that she has something to hide. I will be investigating her and that must include your involvement with Moby Dick's as it was a big matter left unresolved. There have been personal accusations against her

too.

Once i gather more info, i will send you questions. I would appreciate you answering them. You, of course, can choose not to. In that case i will simply publish the questions unanswered.

Hopefully things don't get messy and maintain civility.

Thanks.
