

Black poenanie nastiness

I couldn't find the screenshot but Allan had elsewhere referred to me as being ashamed of having had "black poenanie". Worse than the racism is that he was implying I'd raped that missing child.

Young, on his page, had previously allowed Allan to associate me with the girl. When Allan, seemingly in a rage of frustration, brought her up again, Young must have realised his ally had overstepped the line into Public disapproval. Young pretended moderation yet blamed me at the same time:

 **Mark Allan Hampton** would like to be something he is not. He is obsessed with the need for recognition and acclaim. But he can't do it without attacking others and tearing into those who are actually addressing the issues he merely talks about. I have known him longer than most and fell out of favour when he took up with the JEF. He is not well. That much should be obvious. But he is running a disinformation campaign that has all the hallmarks of a professionally orchestrated destabilisation programme. He needs anything from six to ten thousand a month. Where is it coming from? Can you tell me? Because he won't.

 **Mark Allan** As for what you call a mancrush Lauren Donson, I thought I had already explained that my concerns are rooted in three posts concerning a small nine year old girl that disappeared from the Love Knysna page. Questions that I have been trying to ask Hampton for two years now. Questions he will not answer. Questions no one wants to address. I have already explained this to you after you so crassly brought up the subject of black poenanie. Your cavalier barrack room humour actually disgusts me. You are also a racist. So goodbye and the best of British luck to you.

 **Anne Haefele** Mark Allan , you are not doing anything to help Knysna. Please do not attack someone like Lauren, who is expressing what she feels. Your comments are unacceptable.

 **Mark Allan** Black poenanie, fucking meatheads, mancrush, whites this, whites that, insults all in the name of Jesus? That is acceptable to you? I wasn't attacking him. I was telling him politely to fuck off. The bit about the nine year old that disappeared off the Love Knysna page? You missed that yet again. That acceptable to you? I think not only are your wires crossed, they are horribly tangled. Lauren wears Sponge Bob undies and not panties. It's a big nasty world out. No one is who they appear to be and nothing works according to plan.

 **Baden Hall** Lauren Donson Not everyone is a down-and-out wanker seeking "alms" from the public. Some people have the means to fund their own campaign, as a direct result of using their God-given gifts and talents to improve their stations in life.

 **Martin Young** Mark Allan Mark, your anger and obvious hatred of the man is sometimes overwhelming. I understand it, but don't want to become as consumed by it as I think you have been. I think that's what others have tried to convey here. It is just another example of 'brand Hampton' and the damage it causes.

You have always offered your support to me and I appreciate it greatly.
