

# BADEN HALL IS A PROPAGANDIST PAEDOPHILE PEDDLER

A screenshot of a Facebook post from the profile of Baden Hall. The browser address bar shows the URL <https://www.facebook.com/baden.hall?fref=nf>. The post is from 1 hour ago in Knysna. The text of the post reads: "Whilst dropping off documents at an attorney's office in Woodmill Lane, Knysna CBD, I was overwhelmed by a repulsive stench, as if a sewerage pipe had burst. It wasn't long before I located the source of the stench.....then I understood, it wasn't a broken sewerage pipe, but rather another edition of complete nonsense being created by this apparition.....on a free Wi-Fi, of course, justified by a single cup of coffee that lasted about 2 hours!". Below the text is a video thumbnail showing a man in a dark jacket looking down. To the right of the post, there is a "Play Now" button with "1,000" and "play this" text, and a "Recent" playlist with items "2010s", "2000s", and "Born". A "Chat (Off)" button is visible at the bottom right of the post area.

- Baden Hall: "He has single-handedly destroyed the reputation of many good Knysna people by spewing Conspiracy Theories about anything and everything. As he does not even have a single penny to his name, he treats the law with utter contempt, for the simple reason that he has nothing to loose. As I type this, there are no less than 13 criminal and civil cases against him by various people, me included." (1 like, 1 hour ago)
- Geoff Stroebel: "Jeez. How come he isn't in ckookie? What's his name?" (1 like, 1 hour ago)

 **Baden Hall** He writes under the moniker of "Wicked Mike"....enough said!  
He's apparently been run out of Queensborough and Pietermaritzburg allegedly on account of the parents of young boys (and a few girls) becoming concerned about the undue attention he gives them.

As the saying goes, a leopard doesn't change it's spots. If you were to read his "stuff", if I were a Knysna parent of school going children, especially of the more socio-economically challenged population, I would be more than a little concerned.

 **Angie Manser** He also has an FB Page called Love Knysna, but there is no love there, more like Hate Knysna because he runs everyone and everything down about our beautiful town.
